Sim infosystems Private Limited,
Chennai,
India

This is to acknowledge that Sim Infosystems have supplied the Sulfuric acid plant Operator training simulator during 2010 and it is working satisfactorily for training our operators and engineers.

Based on this success, we are now in the process of procuring simulator for Phosphoric acid plant.

 Contract No.: 80334940	COROMANDEL PAP SIMULATOR COMPLETION CERTIFICATE (FAT, SAT, TRAINING)	 SIM INFOSYSTEMS PVT. LTD.
	PROJECT: CIL PAP OTS	Date: 09-Nov-2015

**COROMANDEL PAP SIMULATOR PROJECT COMPLETION CERTIFICATE
(FAT, SAT, TRAINING)**

Sim Infosystems has installed the PAP simulator successfully during October-November 2015.

The custom PAP simulation software was tested and accepted by Coromandel on 8th November 2015.

The Factory Acceptance Testing (FAT) was successfully conducted during 6th to 7th Oct 2015.

The Site Acceptance Testing (SAT) was successfully conducted during 26-Oct to 09-Nov 2015.

The issues identified during the FAT and SAT are fixed and rechecked by Coromandel.

The training to Coromandel personal was conducted by Sim Infosystems during 27th Oct to 9th Nov 2015.

The PAP simulator meets the Coromandel tender specification and Functional Design Specification and is suitable for training the plant operating personnel.
