

Prosimulator Software Installation & Training Report

To:

M/s. Sim Infosystems Pvt Ltd,
No.11, 1st cross street, Nehru Nagar, Kottivakkam
Chennai-600041, Tamilnadu, India

Dear Sir,

This is to certify that Sim Infosystems Pvt Ltd Chennai has successfully installed the Esim-17 users & Esim-9 users ProSimulator package containing Prosimlab (PS1000) and Basic Process (PS2000) models in Process simulation laboratory and Process control & instrumentation laboratory at Yanbu Technical Institute (YTI), Saudi Arabia.

Sim Infosystems engineer has trained our instructors on simulator features and functionality. We acknowledge the good work done by the SIM INFOSYSTEMS and looking forward to prompt support during usage of simulator.

The following faculties are involved in training session:

1. Abdullah Alhelali, Chemical Skills Department
2. Abbas Khan, Chemical Skills Department
3. Saeed Ahmed, Chemical Skills Department
4. Abdulraheem Alrefai, Chemical Engineering Department
5. Labib Zaurah, Instrument Skills Department
6. Mohammed Abdulatif, Instrument Skills Department
7. Ibrahim Elbehnasi, Mechanical Skills Department

Dear Sir,

This is to certify that Sim Infosystems Pvt Ltd Chennai has successfully installed the Esim-17 users & Esim-9 users ProSimulator package containing Prosimlab (PS1000) and Basic Process (PS2000) models in Process simulation laboratory and Process control & instrumentation laboratory. Hand-on training was conducted for our faculty during 29.07.2018 to 01.08.2018 at Yanbu Technical Institute, Saudi Arabia.

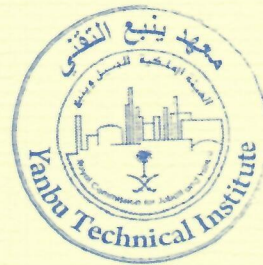

The training was conducted systematically and appropriate course-ware was provided for the same.

We find that the ProSimulator software package is a complete and advanced dynamic simulation software for Prosimlab and basic process operations and we are happy to recommend this software to other academic institutes also.

Thanking you,

Yours truly,

Engr. Abdullah E. Alhelali
Head of Chemical Skills Department
Yanbu Technical Institute
