PERFORMANCE CERTIFICATE

This is to certify that M/s. Sim Infosystems Pvt. Ltd., Chennai has supplied Sulphuric Acid plant Simulator system to our Company during September 2015 with the following components:

- Simulation Computers and furniture
- Instructor software
- Siemens PCS7 DCS emulation software
- Custom simulation model for Sulphuric Acid plant

We are happy with the software performance and in-time and within-budget completion of the project by Sim Infosystems. We are able to use the simulator effectively for our training.

Based on this success, we are planning to go for Ammonia plant simulator in the near future.

We have no hesitation in recommending Sim Infosystems as a proven and quality OTS vendor to other process companies.

With best regards.
